Spring 2023

FREQUENTLY ASKED QUESTIONS

At SGAC our mission is: To Know Jesus, To Know One Another, and To Make Jesus Known. In order "to know Jesus" and "to know one another" our goal is to have every adult that calls SGAC their home church involved in a Growth Group.

Four great reasons to join a Growth Group:

- Weekly Bible studies will help you grow in your faith. (Psalm 119:11; 2 Timothy 3:16-17)
- Prayer from others helps you get through tough times. (Philippians 4:6; 1 John 5:14-15)
- You'll meet new friends. (Proverbs 27:17)
- You'll have fun with other people going through the same things you are. (Ecclesiastes 4:9-10)

What is a Growth Group?

Growth Groups are SGAC groups of 4 to 20+ people that meet to learn more about the Bible, grow in their faith, and meet some great new friends.

Is there a group that's right for me?

There are a variety of groups that meet at different times, days of the weeks, and places so you'll have the chance to find the group that is right for you. And you'll have the opportunity to meet others who share your experiences and are going through similar things as you right now.

When can I sign up?

Sign-up will begin May 14, 2023.

When will my group meet?

Most Growth Groups meet once a week. Groups meet 4 times over the semester. It's a short-term commitment but the positive impact on your life will be long-term.

What will the people in my group be like?

Look around on a Sunday morning. A Growth Group is made up of the same people that attend an SGAC Sunday service. You'll most likely see a few people that you have seen on Sunday as well as some people that you're meeting for the first time. It's a great way to get to know other people outside of Sunday service.

Where will the Growth Groups take place?

There will be Growth Groups hosted in Spruce Grove & Parkland County homes and outdoor locations, as well as at the church.

Here's what a few people are saying about Growth Groups:

"I believe that Growth Groups is a vital and vibrant ministry opportunity. I appreciate the opportunity to meet new people and have fellowship mid-week. The fellowship we experience at a study at home in the evening is deeper than the Sunday morning greeting variety of fellowship. This fellowship follows through to prayer and contact throughout the weeks. It helps each individual to feel seen in their church. I also believe this type of fellowship translates to a more genuine fellowship in the foyer on Sundays. People are getting to know one another on a deeper level." LF

"Thank you! We have been at your church for 6 weeks and it is already starting to feel like home." DV

"This has been such a positive experience for my husband and I." CS

"We are new to Alberta and the church, and found the Growth Groups to be a wonderful way to connect and feel at home at SGAC and also be challenged to grow spiritually." MJL
